Four Shades of Gray Simon Peter Rowberry 2022-04-05 This first book-length analysis of Amazon's Kindle explores the platform's technological, bibliographical, and social impact on publishing. Four Shades of Gray offers the first book-length analysis of Amazon's Kindle and its impact on publishing. Simon Peter Rowberry recounts how Amazon built the infrastructure for a new generation of digital publications, then considers the consequences of having a single company control the direction of the publishing industry. Exploring the platform from the perspectives of technology, texts, and uses, he shows how the Kindle challenges traditional notions of platforms as discrete entities. He argues that Amazon's influence extends beyond "disruptive technology" to embed itself in all aspects of the publishing trade; yet despite industry pushback, he says, the Kindle has had a positive influence on publishing. Rowberry documents the first decade of the Kindle with case studies of Kindle Popular Highlights, an account of the digitization of books published

after 1922, and a discussion of how Amazon's patent filings reflect a shift in priorities. Rowberry argues that while it was initially convenient for the book trade to outsource ebook development to Amazon, doing so has had adverse consequences for publishers in the mid- and long term, limiting opportunities for developing an inclusive and forward-thinking digital platform. While it has forced publishers to embrace digital forms, the Kindle has also empowered some previously marginalized readerships. Although it is still too early to judge the long-term impact of ebooks compared with that of the older technologies of clay tablets, the printing press, and offset printing, the shockwaves of the Kindle continue to shape publishing.

EDGE: I HERO: Death or Glory Steve Skidmore 2012-03-08 You are a warrior, part of a tribe at war with the Romans. But what if you are captured -- do you have what it takes to be a gladiator? Or will you choose another path? You are the hero of this book. Only you can decide your own destiny... Kindle version supported by the Kindle Fire, Fire HD, Fire HDX, Fire DX and Paperwhite. This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. EDGE - for books children want to read, and books children can read.

Liquid Scripture Jeffrey S. Siker 2017-09-01 The electronic Bible is here to stay--packaged in software on personal computers, available as apps on tablets and cell phones. Increasingly, students look at glowing screens to consult the Bible in class, and congregants do the same in Bible study and worship. Jeffrey S. Siker asks, what difference does it make to our experience of Scripture if we no longer hold a book in our hands, if we again "scroll" through Scripture? How does the "flow" of electronic Scripture change our perception of the Bible's authority and significance? Siker discusses the difference made when early Christians adopted the codex rather than the scroll and Gutenberg began the mass production of printed Bibles. He also reviews the latest research on how the reading brain processes digital texts and how churches use digital Bibles, including American Bible Society research and his own surveys of church leaders. Siker asks, does the proliferation of electronic translations reduce the perceived seriousness of Scripture? Does it promote an individualistic response to the Bible? How does the change from a physical Bible affect liturgical practice? His synthesis of the advantages and risks of the digitized Bible merit serious reflection in classrooms and churches alike.

Selling Rights Lynette Owen 2014-10-17 Selling Rights has firmly established itself as the leading guide to all aspects of rights sales and co-publications throughout the world. The seventh edition is substantially updated to illustrate the changes in rights in relation to new technologies and legal developments in the United Kingdom and the rest of the world. This fully revised and updated edition includes: coverage of the full range of potential rights from English-language territorial rights through to serial rights, permissions, rights for the reading-impaired, translation rights, dramatization and documentary rights, electronic and multimedia rights More detailed coverage of Creative Commons and Open Access The aftermath of the Digital Economy Act 2010, the Hooper Report and new UK Statutory Instruments affecting copyright Updated coverage of book fairs The implications of adding e-book rights to print licences A separate chapter on collective licensing via Reproduction Rights Organizations The impact of new electronic hardware (e-readers, tablets, mobile phones) - the distinction between sales and licences the rights implications of acquisitions, mergers and disposals updates on serial rights, including online New appendices listing territories normally sought as exclusive by UK publishers and a glossary of rights specific terms. Selling Rights is an essential reference tool and an accessible and illuminating guide to current and future issues for rights professionals and students of publishing.

Editing and Publishing e-Books Nicolae Sfetcu 2015-01-01 You wrote a book. Very nice. But you didn't write to keep it for you. You should publish it. The problem is that the publishers charge high prices for some authors pockets, and do it objectively, due to the high cost of printing. But you allowed that luxury, and now you have a printed book, with you as the author. You can keep hundreds or thousands of volumes in your personal library and give it as a gift to your friends in special occasions, or try to distribute in various libraries. You managed to distribute it, the book is beautifully placed in shelves. In time, dust is spread on covers. After a while, the book is withdrawn. It remains to use it as decoration at home, or support for various household items. But lucky for you, there is an alternative, cheaper and more effective, in selling your book: e-Books! e-Book and online publishing market has evolved rapidly in recent years, and a lot of companies have entered this market, as publishers, online bookstores, or promoting e-books.

EDGE: I HERO: Quests: Earth Attack Steve Skidmore 2012-10-25 As Tyranno prepares to unleash his alien armies on Earth, only one person stands in his way - YOU! Your quest is to save the planet by defeating Tyranno. But the evil Starlord is strong and powerful. It will take all your skill and strength to free the universe from the grip of Tyranno. All you need to do is make the right choices... You are the hero of this book. Only you can decide your own destiny... Kindle version supported by the Kindle Fire, Fire HD, Fire HDX, Fire DX and Paperwhite. This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. We believe this title will be of interest to readers aged 7+ and to older readers who struggle with reading. EDGE - for books kids can't put down.

Why Digital Displays Cannot Replace Paper Hirohito Shibata 2020-11-11 From readability to operability, this book presents a number of experiments to analyze the characteristics of paper and digital displays in reading and writing. Why is it easy to read on paper? Why is it easy to concentrate on reading on paper? Why is it easy to think while writing or drawing on paper? This book answers these questions based on cognitive experiments on media. Paper is easy to read because it is easy to handle. If we emphasize the strengths of paper, paper is an operation media rather than a presentation media. These experiments also indicate how to develop digital media for reading and writing. This book will interest those who want to gain a scientific understanding of reading and writing on paper, those who want to work more effectively by selectively using paper and digital tools (e.g. knowledge workers and educators), and those who develop digital devices or services for reading and writing.

EDGE: I HERO: Castle of Doom Steve Skidmore 2011-12-15 You are a wizard warrior who battles against the forces of darkness. Now you must summon all of your strength to fight a new enemy. Will you defeat the evil at the Castle of Doom? Or will you choose another path? You are the hero of this book. Only you can decide your own destiny... Kindle version supported by the Kindle Fire, Fire HD, Fire HDX, Fire DX and Paperwhite. This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. We believe this title will be of interest to readers aged 7+ and to older readers who struggle with reading. EDGE - for books kids can't put down.

formatting and publication for any online retailer other than Amazon ~The pricing strategies or royalty option suggestions for Amazon ~The formatting of books for print media

Kindle Paperwhite For Dummies Leslie H. Nicoll 2012-12-27

Geometry Creation and Import With COMSOL Multiphysics Layla S. Mayboudi 2019-09-20 This book focuses on the geometry creation techniques for use in finite element analysis. Examples are provided as a sequence of fin designs with progressively increasing complexity. A fin was selected as it is a feature widely employed for thermal management. As the content progresses, the reader learns to create or import a geometry into a FEM tool using COMSOL Multiphysics®. The fundamentals may also be applied to other commercial packages such as ANSYS® or Abaqus™. The content can be utilized in a variety of engineering disciplines including mechanical, aerospace, biomedical, chemical, civil, and electrical. The book provides an overview of the tools available to create and interact with the geometry. It also takes a broader look on the world of geometry, showing how geometry is a fundamental part of nature and how it is interconnected with the world around us. Features: Includes example models that enable the reader to implement conceptual material in practical scenarios with broad industrial applications Provides geometry modeling examples created with built in features of COMSOL Multiphysics® v. 5.4 or imported from other dedicated CAD tools Presents meshing examples and provides practical advice on mesh generation Includes companion files with models and custom applications created with COMSOL Multiphysics® Application Builder.

Ghidul autorului de cărți electronice Nicolae Sfetcu 2015-01-01 Ai scris o carte. Foarte frumos. Dar nu ai scris-o pentru a o ține pentru tine. Trebuie să o publici. Problema e că editurile percep prețuri foarte mari pentru buzunarele unora dintre autori, și aceasta în mod obiectiv, datorită costurilor mari de tipărire. Dar ți-ai permis acest lux, și acum ai o carte tipărită, cu tine ca autor. Poți să păstrezi sutele sau miile de volume în biblioteca personală și să o faci cadou prietenilor la diverse ocazii, sau să încerci să o distribuie în diverse librării (care librării, că nu prea mai sunt?!). Ai reușit să o distribuie, cartea e plasată frumos în rafturi. În timp, se așează praful pe coperti. După un timp, cartea este retrasă. Mai rămâne să o folosești ca decor în casă, sau suport pentru diverse obiecte casnice. Dar, spre norocul tău, există o soluție alternativă, mult mai ieftină și mai eficientă în vânzarea cărții tale: cărțile electronice! Piața cărților electronice și a editurilor online a evoluat rapid în ultimii ani, și o mulțime de companii au intrat pe această piață, ca edituri, librării online, sau pentru promovarea cărților electronice.

Too Much is Not Enough! Beth R. Bernhardt 2014 "Almost one hundred presentations from the thirty-third annual Charleston Library Conference (held November 6-9, 2013) are included in this annual proceedings volume. Major themes of the meeting included open access publishing, demand-driven acquisition, the future of university presses, and data-driven decision making. While the Charleston meeting remains a core one for acquisitions librarians in dialog with publishers and vendors, the breadth of coverage of this volume reflects the fact that this conference is now one of the major venues for leaders in the publishing and library communities to shape strategy and prepare for the future. At least 1,500 delegates attended the 2013 meeting, ranging from the staff of small public library systems to the CEOs of major corporations. This fully indexed, copyedited volume provides a rich source for the latest evidence-based research and lessons from practice in a range of information science fields. The contributors are leaders in the library, publishing, and vendor communities"--

Sands of Blood Steve Barlow 2013-04-11 We dare you to take on the Red Queen in this choose-your-own-destiny Blood Crown Quest! The Red Queen has seized the Ruby of Death and raised an army of the dead. Now, with her husband, the necromancer Mortha, they plan to find the remaining three rubies and cast a permanent shadow over the world. YOU are a former City Guard, a member of an elite unit of highly trained warriors. Your quest is to find the rubies before the Red Queen. First you must return to the City of Alba from where you were banished... You are the hero of this book. Only you can decide your own destiny... Hot spin-off from the I HERO series, which has now sold over 80,000 copies! YOU are pitted against the evil Red Queen and her dark minions as she attempts to collect four rubies to rebuild the Blood Crown. Written by the award-winning 2Steves! Kindle version supported by the Kindle Fire, Fire HD, Fire HDX, Fire DX and Paperwhite. This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. EDGE - for books children want to read, and books children can read.

Der neue Kindle mit Touchscreen - das inoffizielle Handbuch Matthias Matting 2014-10-24 "Der neue Kindle mit Touchscreen - das inoffizielle Handbuch. Anleitung, Tipps, Tricks" beschreibt Amazons neuesten Einsteiger-Kindle in klarem, kurzweiligem Deutsch, ergänzt von hilfreichen Illustrationen. Es lädt zu einer spannenden Entdeckungstour durch die vielfältigen Funktionen ein und lässt den Leser auch in den Tiefen der Konfiguration nicht im Stich. Die hilfreichen Anleitungen vom Autor des meistverkauften Kindle-eBooks 2011 entstammen dem umfangreichen Erfahrungsschatz des Verfassers mit dem Kindle. "Der neue Kindle mit Touchscreen - das inoffizielle Handbuch. Anleitung, Tipps, Tricks" verrät Ihnen, wie Sie Ihren Kindle optimal einsetzen. Sie erfahren, was Sie damit lesen und betrachten können und wie Sie den E-Reader an Ihre eigenen Bedürfnisse anpassen, so dass Sie Zeit, Geld und Nerven sparen. Sie lernen, wie Sie das Gerät als Begleiter im Alltag einsetzen, der weit mehr als nur E-Books anzeigen kann. Ein großer Index erleichtert den schnellen Zugriff auf Details.

Complete Korean Beginner to Intermediate Course Mark Vincent 2014-09-26 Complete Korean is a comprehensive language course that takes you from beginner to intermediate level. Apple and Android versions available. Also available: Get Started in Korean (ISBN 9781444175042). Rely on Teach Yourself, trusted by language learners for over 75 years. This ebook is compatible with Kindle Paperwhite, Kindle Fire and Kindle Fire HD. Unfortunately Kindle DX and ADE do not support this ebook.

Operations Strategy Terry Hill 2017-10-12 This new core textbook, underpinned by rigorous academic research and industry best-practice, offers a practical approach designed to provide students with the tools and techniques required to design and develop an operations strategy. Authored by two of the most well-respected authorities in the field, the book's clear and accessible content explains how operations strategy can create value for an organisation and positively impact on business performance. Case studies with international relevance and which draw on examples from a wide range of industry sectors help students to link theory and practice, develop analytical and problem-solving skills, and gain an understanding of operations strategy in the real world. This textbook caters primarily for MBA students studying modules in Operations Strategy or Operations Management, and is also suited to postgraduate students studying Operations Strategy on specialist courses such as Operations and Supply Chain Management or Logistics and Operations Management. In addition, this is an important text for final year level undergraduate students studying Operations Strategy or Strategic Operations Management.

EDGE: I HERO: Alien Raid Steve Skidmore 2011-12-15 You are a commander in the Galaxy Defence Force. You have fought against many aliens, but now a huge invasion fleet has been spotted! Will you destroy the alien invaders? Or will you choose another path? You are the hero of this book. Only you can decide your own destiny... Kindle version supported by the Kindle Fire, Fire HD, Fire HDX, Fire DX and Paperwhite. This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. We believe this title will be of interest to readers aged 7+ and to older readers who struggle with reading. EDGE - for books kids can't put down.

Universal Access in Human-Computer Interaction. Access to Today's Technologies Margherita Antona 2015-07-18 The four LNCS volume set 9175-9178 constitutes the refereed proceedings of the 9th International Conference on Learning and Collaboration Technologies, UAHCI 2015, held as part of the 17th International Conference on Human-Computer Interaction, HCII 2015, in Los Angeles, CA, USA in August 2015, jointly with 15 other thematically similar conferences. The total of 1462 papers and 246 posters presented at the HCII 2015 conferences were carefully reviewed and selected from 4843

submissions. These papers of the four volume set address the following major topics: LNCS 9175, Universal Access in Human-Computer Interaction: Access to today's technologies (Part I), addressing the following major topics: LNCS 9175: Design and evaluation methods and tools for universal access, universal access to the web, universal access to mobile interaction, universal access to information, communication and media. LNCS 9176: Gesture-based interaction, touch-based and haptic Interaction, visual and multisensory experience, sign language technologies, and smart and assistive environments LNCS 9177: Universal Access to Education, universal access to health applications and services, games for learning and therapy and cognitive disabilities and cognitive support and LNCS 9178: Universal access to culture, orientation, navigation and driving, accessible security and voting, universal access to the built environment and ergonomics and universal access.

Libri digitali. Come costruirli Mario Canton 2019-02-02 Il mercato ha visto una crescita vertiginosa nella diffusione dei dispositivi di lettura per i libri digitali. Questo libro passa in rassegna le procedure per la creazione, il trattamento e la modifica dei file ePub con incorporati font, immagini, audio e video. I file ePub possono essere utilizzati per creare non solo libri, ma anche riviste, opuscoli, brochure e quant'altro potrebbe essere necessario produrre in editoria. Questo testo si occupa anche dei dettagli di conversione dall'ePub ad altri formati in modo da poter coprire tutti i dispositivi mediante la creazione di un solo formato e-book. Si è cercato non solo di illustrare le nozioni di base per chi non abbia alcuna conoscenza preventiva di HTML, CSS, etc. ma anche di consentire un utilizzo del libro come riferimento per coloro che conoscono già la materia. L'acquisto del libro dà la possibilità di scaricare un file ZIP di oltre 60MB di esempi ed esercitazioni oltre a consentire al lettore di creare i propri file senza richiedere applicazioni costose. Che cosa si può fare con le conoscenze apprese da questo libro? Una cosa possibile è creare libri in formato ePub per poi venderli. Molti distributori e siti web specializzati possono vendere i libri prodotti da terzi. Questo libro è rivolto a chiunque desideri essere in grado di creare, trattare o modificare file in formato ePub. Non è necessaria alcuna conoscenza preventiva di ePub e la difficoltà non è differente dalla capacità di imparare altri linguaggi di marcatura o programmazione. Per gli argomenti trattati nel dettaglio in questo testo si può esaminare l'indice nell'anteprima e tutti i file di esempio nel libro potranno essere estratti da un file scaricabile dal sito dell'autore. Si sottolinea che è possibile leggere questo libro seguendo un percorso sequenziale, dall'inizio alla fine, o si possono consultare solo i capitoli che interessano. Gli esempi in ogni capitolo non si basano necessariamente sul materiale creato in altri capitoli. Infine, dato che molti capitoli contengono note, suggerimenti e avvertenze, è opportuno tenere presenti queste sezioni durante la lettura. Una ampia seconda parte è dedicata ad argomenti avanzati e agli aspetti di accessibilità dei contenuti.

Jeff Bezos: Kisah Sukses Orang Terkaya di Dunia Agnes Chin Amazon.com dan Kindle barangkali jauh lebih terkenal dibandingkan penciptanya, Jeff Bezos. Pria berkepala plontos ini memang tak sepopuler Bill Gates atau Mark Zuckerberg, padahal tanpanya dunia e-commerce barangkali tak seperti sekarang. Bisa dikatakan Jeff Bezos merupakan tokoh yang berperan besar dalam menancapkan tonggak sejarah e-commerce dunia. Di tahun 2017, miliarder yang sering disebut sebagai raja ecommerce ini sempat menyalip Bill Gates, pendiri Microsoft, dalam soal jumlah kekayaan. Kesuksesan Bezos bersama Amazon.com merupakan hasil kerja keras dan konsistensinya selama 14 tahun. Sang konglomerat ini sejak kecil menyenangi segala hal yang berkaitan dengan teknologi komputer hingga kemudian memutuskan masuk jurusan teknologi informasi di Universitas Princeton. Jeff Bezos menciptakan Amazon.com pada bulan Juli 1994, dan meluncurkan produk ini setahun kemudian. Awalnya, ciptaannya tersebut akan diberi nama Cadabra, tapi karena beberapa pertimbangan, maka Bezos mengubahnya menjadi Amazon. Meski perusahaan milik Jeff tersebut terlihat terus menuai kesuksesan sejak hari pertama diluncurkan, kenyataannya tidak sepenuhnya demikian. Sebenarnya, perusahaan telah berkali-kali mengalami naik turun selama bertahun-tahun sebelum mencapai puncak kesuksesan saat ini. Buku ini membahas berbagai sudut pandang mengenai caranya Jeff Bezos mengelola kesuksesan. Tujuannya adalah untuk berbagi dengan Anda yang hendak memulai atau sedang menjalankan bisnis, terutama bisnis startup. Penulis berharap agar apa yang disampaikan dalam setiap bab dapat membantu Anda melihat jalan menuju keberhasilan dari perspektif yang berbeda. Selamat membaca.

Interactive InDesign CC Mira Rubin 2013-10-23 With a growing focus on digital destinations, the

publishing landscape is evolving at a dizzying speed and InDesign CC is at the forefront of the digital frontier. Known as the premiere layout application for magazine and print collateral, InDesign is also a powerful creation tool for both static and interactive PDF, Flash SWF, EPUB, and apps that can be published for sale in various app stores. This tutorial-based guide to InDesign CC provides you with a hands-on experience of the EPUB creation process, InDesign animation, Digital Publishing Suite app creation, creation of interactive PDFs, and a host of techniques that serve equally well in both print and digital production. This extensively detailed book is filled with over 700 screenshots, explicit diagrams, and step-by-step real-world exercises to get you up and running with: *InDesign Animation *Buttons, forms, and other interactive elements *Interactive PDFs *EPUB *App building with DPS *The fundamentals of HTML, CSS, and GREP *A treasure trove of trips and techniques that will forever transform your work with InDesign.
