Try It This Way... J. Michael Curtis 2012-09-13 A long time observer of the human condition, Curtis combines a wry wit with some unexpected opinions, penetrating insights and intensely personal reflections. This book covers a wide range of topics from the mundane to the metaphysical, spun with a sense of humour and wonder. This read has some delightful surprises that will leave you thinking and laughing. You never know what to expect. For a regular guy, the author puts forth some very deep observations and opinions on how to achieve extraordinary happiness in your life. While you may not agree with all of his arguments, you will nevertheless find yourself contemplating some of your own personal convictions. - Walter T. Leps, Ph.D., President, WAI BioProcess Solutions I know Mike to be a happy guy who is getting happier with age. He has figured some things out that are worth considering to build a happier life for yourself in mind, body, spirit and heart. Mike will help you get closer faster and easier if you experiment with his advice. - Gaye Hanson, Blue Flowing Water Woman

Butter-Side Up Jane Enright 2022-06-07 How often have you heard someone say, "I hate change?" That's because most people do. But the reality is, whether we like it or not, life puts us all through changes—some challenging, and many joyful—that shape our day-to-day experiences. Sometimes, though, in the blink of an eye, the unthinkable can happen. This begs the question: when the unexpected occurs, how do you successfully navigate change so you can land butter side up when life turns the tables? Butter Side Up is not self-help jargon; it is edutainment for the soul. Jane Enright's true story of surviving three life-altering events in the span of twelve months, losing everything, and coming out the other end stronger and more resilient than ever before is compelling and riveting—and full of sage advice for how to do the same. A feel-good story that everyone can relate to and learn from, Butter Side Up shows that there can be happiness and joy after unplanned change—and a super awesome life, too.

Der Pumpkin Plan: Die Strategie für Unternehmenswachstum Mike Michalowicz

2018-08-13 Viele Unternehmen scheitern – oft innerhalb der ersten fünf Jahre nach Gründung. In diesem Existenzkampf sehen die Selbstständigen für sich häufig nur den Ausweg des Selbst-und-ständig-Arbeitens. Sie jagen im Hamsterrad in hohem Tempo durch den Alltag und kommen doch nicht voran. Das führt zu Frust, zu Erschöpfung und niemals aus der Sackgasse. Mike Michalowicz kennt dies aus eigener Erfahrung: Sein erstes Unternehmen machte ordentliche Umsätze – und doch war nie genug Geld übrig. Er war im Dauereinsatz, kämpfte um jeden Kunden und um jeden Auftrag. In dieser Situation der beständigen Überforderung stieß er plötzlich und unerwartet auf eine Quelle der Inspiration: Kürbisbauern. Mike Michalowicz erkannte, was ein erfolgreicher Kürbiszüchter mit erfolgreichen Unternehmenslenkern gemein hat. Und entwickelte daraus den Pumpkin Plan. Denn die gleiche Systematik, mit der gigantische Riesen Kürbisse gezüchtet werden, lässt sich hervorragend anwenden, um ein erfolgreiches und gesundes Unternehmen zu führen – langfristig, mit Freude und Lebensqualität.

Parenting Brett Ullman 2020-07-31 After more than two decades and over two thousand presentations, my interactions with parents reveal that although most want to learn and parent their best, they feel ill-equipped. Kids don't come with manuals. The goal of this book is to equip and empower you as a parent, grandparent, or youth leader to help kids navigate all aspects of life in the current culture. How do we sift through the unending philosophies on parenting and be intentional in how we choose what's best for our family? The number of voices is overwhelming. This book distills the essential elements of parenting so you can apply them in your own home. It approaches parenting from a Christian perspective and is filled with practical advice that is applicable to everyone. As we explore the foundations of parenting, we will look at: Parenting. What are the stages of parenting? What is the current state of parenting? What is the purpose of parenting? Parenting styles. What are they and which ones should I be using? What might I need to alter about my current parenting style? Progression of parenting. What are the skills our children need to learn? Time. What does quality time and being present with my kids look like? Communication. How can I gain better communication skills so that I can more effectively connect with my kids? Discipline. How do I effectively discipline my children? Family discipleship. Why is our worldview important, and how we can raise kids with a Christian worldview? Mental Health. How do we address issues like anxiety, panic attacks, and depression? Engaging the Culture. How

do we empower our kids to engage the culture around us without compromising their faith? Media. How can we help our kids navigate technology? Sexuality. How do we direct our kids towards healthy sexuality? Pornography. What is the prevalence of pornography and how do we address its impact on our kids? Dating. How do we best avoid pitfalls in dating? Finances and education. How can we help our children make sound financial and education choices? Drugs and alcohol. What tools are available to assist in drug-proofing our kids? Loneliness. How do we prevent disconnection in our kids and help them to create community?

The Wealthy Barber David Chilton 1995-09 In this new and expanded edition of one of the biggest selling financial-planning books ever, Chilton simplifies the complex puzzles of personal finance and helps you achieve financial independence. With the help of his fictional barber, Roy, and a large dose of humor, Chilton shows you how you can take control of your financial future slowly, steadily, and with sure success. Chilton's plan (detailed in an entertaining story) is no get-rich-quick scheme, but it does make financial independence possible on nothing more than an average salary. Even if you consider yourself a financial basket-case, Chilton explains how you can easily put an effective financial plan into action. About the Author "David Chilton is the president of Financial Awareness Corporation, a financial consulting firm. Rich Dad Poor Dad Robert T. Kiyosaki 2014-11-14 Warum bleiben die Reichen reich und die Armen arm? Weil die Reichen ihren Kindern beibringen, wie sie mit Geld umgehen müssen, und die anderen nicht! Die meisten Angestellten verbringen im Laufe ihrer Ausbildung lieber Jahr um Jahr in Schule und Universität, wo sie nichts über Geld lernen, statt selbst erfolgreich zu werden. Robert T. Kiyosaki hatte in seiner Jugend einen "Rich Dad" und einen "Poor Dad". Nachdem er die Ratschläge des Ersteren beherzigt hatte, konnte er sich mit 47 Jahren zur Ruhe setzen. Er hatte gelernt, Geld für sich arbeiten zu lassen, statt andersherum. In Rich Dad Poor Dad teilt er sein Wissen und zeigt, wie jeder erfolgreich sein kann.

The Relaxed Author Joanna Penn 2021-09-18 Do you want to be a more relaxed author? There are plenty of books and tips on writing faster, learning more marketing tactics and strategies, trying to maximize your ranking, hitting the top of the charts, juicing the algorithms, and hacking different ad platforms. While these are all important things — which the authors themselves regularly write and talk about — it's also important to recognize that your author journey is a marathon, and not a sprint. Joanna Penn and Mark Leslie Lefebvre have been in the business long enough to see authors burning out and leaving the writing life because they turned what they love into a hamster wheel of ever more production and marketing tasks they hate. It doesn't have to be this way. This book is a collection of tips on how to be a more relaxed author — and return to the love that brought you to writing in the first place. You will discover: - Why the 'relaxed' author? - You are not alone. Why authors are not relaxed. Part 1: Relaxed Writing - Write what you love - Write at your own pace - Write in a series (if you want to) - Schedule time to fill the creative well and for rest and relaxation - Improve your writing process — but only if it fits with your lifestyle Part 2: Relaxed Publishing - Make empowered publishing choices - Understand persistence, patience, and partnership - Value your work. You create intellectual property assets. - Publish at your own pace - Publish wide (or don't) - Sell direct to your audience - Don't let piracy and plagiarism derail you - Deal with cancel culture, bad reviews, and haters - Find a community who support your publishing choices Part 3: Relaxed Marketing - Focus on the basics first - Simplify your author brand and website - Simplify and automate your email - Find one form of marketing you enjoy and can sustain for the long term - Put book 1 in a series free or permafrees - Choose social media that suits you — or don't use it at all - Advertise in campaigns - Outsource when you can - Embrace who you are. Double down on being human. - Think global, digital, long-term marketing Part 4: Relaxed Business - Do you really want to run an author business? - Create multiple streams of income - Eliminate tasks. Say 'no' more. - Organize and improve your processes - Use tools - Find voices you trust and tune out the rest - Learn about money - Look after your physical and mental health - Keep a long-term mindset If you want to be a more relaxed author, sample or buy today.

The Real Estate Retirement Plan Calum Ross 2017-02-25 A Globe and Mail Bestseller! A guide for Canadians on how to use real estate as an investment and retirement solution. Leveraging equity in a principal residence and using it wisely to purchase rental property is the solution to a safe, secure retirement for millions of Canadians. Many Canadians who own their home have never considered buying a second property. And nearly one-third of retirees are worried about running out of money. The Real Estate Retirement Plan shows how homeowners can use the tools already available to them — their mortgages — to access the initial capital to invest and prepare for their retirement. This is a proven, validated antidote to today's historically low savings rates,

poor current rates of return, and pressure on CPP and health care. With examples and a detailed discussion of the principles and mechanics, Calum Ross and Simon Giannini demystify real-estate investing and make an irrefutable case for borrowing to invest.

Mehr Geld für mehr Leben Vicki Robin 2018-08-06 Wer träumt nicht davon mit 30 oder 40 frühzeitig in den Ruhestand zu gehen und der täglichen Tretmühle den Rücken zuzukehren? Da hilft ein Lottogewinn- doch die Wahrscheinlichkeit liegt leider irgendwo zwischen der von einem Blitz getroffen oder einem Meteoriten erschlagen zu werden. Oder man folgt einem neuen Minimalismus, befreit sich von den Zwängen des Konsumterrors und erreicht finanzielle Unabhängigkeit - und kommt dann mit dem aus, was man hat. Der überarbeitete Klassiker von Vicki Robin und Joe Dominguez bietet seit 25 Jahren hierzu die bewährte Anleitung, aktueller denn je. Sie zeigen, dass es entscheidend ist, unsere Einstellung zum Geld zu überdenken. Wir benötigen weit weniger als viele denken, um zufrieden zu sein. Und können ein vielfaches Freiheit, Zeit und Zufriedenheit gewinnen. Wie man weg vom Stress des Gelderwerbs und hin zu einer höheren Lebensqualität kommt, verrät dieses Buch!

Malignant S. Lochlann Jain 2013-10-15 "Cancer can kill: this fact makes it concrete. Still, it's a devious knave. Nearly every American will experience it up-close and all too personally, wondering why the billions of research dollars thrown at the word haven't exterminated it from the English language. Like a sapper diffusing a bomb, Jain unscrambles the emotional, bureaucratic, medical, and scientific tropes that create the thing we call cancer. Scientists debate even the most basic facts about the disease, while endlessly generated, disputed, population data produce the appearance of knowledge. Jain takes the vacuum at the center of cancer seriously and demonstrates the need to understand cancer as a set of relationships--economic, sentimental, medical, personal, ethical, institutional, statistical. Malignant analyzes the peculiar authority of the socio-sexual psychopathologies of body parts; the uneven effects of expertise and power; the potentially cancerous consequences of medical procedures such as IVF; the huge industrial investments that manifest themselves as bone-cold testing rooms; the legal mess of medical malpractice law; and the teeth-grittingly jovial efforts to smear makeup and wigs over the whole messy problem of bodies spiraling into pain and decay. Malignant examines the painful cognitive dissonances produced by the ways a culture that has relished dazzling success in every conceivable arena have twisted one of its staunchest failures into an economic triumph. The intractable foil to American achievement, cancer hands us -- on a silver platter and ready for Jain's incisively original dissection -- our sacrifice to the American Dream"--

Weniger haben, mehr leben Cait Flanders 2018-11-05 Mit Ende zwanzig ist Cait Flanders nur noch unglücklich. Sie steht vor einem Schuldenberg, trinkt und shoppt zu viel. Und auch wenn sie es schließlich schafft, ihre Finanzen in den Griff zu bekommen, fällt sie immer wieder in alte Gewohnheiten zurück, die sie von ihren eigentlichen Zielen abhalten. Also beschließt sie, für ein Jahr nur noch das Nötigste zu kaufen: Benzin, Essen, Hygieneartikel. Sie entrümpelt ihre Wohnung, gibt einen großen Teil ihres Besitzes weg. Da sie nicht mehr auf ihre vorherigen

Verhaltensweisen zurückgreifen kann, änderte sie ihre Gewohnheiten. Mit jedem Teil, das sie weggibt, befreit sie sich ein Stück weit selbst. Um nach einem Jahr ein komplett neues, besseres Leben zu führen.

Findependence Day Jonathan Chevreau 2013-03-29 Get rich slowly! Financial independence is a marathon, not a sprint. The financial crisis revealed the hazards of financial illiteracy.

Governments desperately want citizens to become financially independent so they'll be less of a burden on them. Findependence Day presents personal finance in a can't put down story format easily digested by young adults entering the work force and the world of money. Because money problems often cause marital breakups, it focuses on the financial journey of a young couple who experience the usual ups and downs of job loss, buying homes, raising children, investing and pensions, starting businesses, coping with stock market volatility and more. The secrets of financial independence are critical wherever you are in the financial life cycle: Newlyweds embarking on family formation will discover the importance of financial planning. Debt-plagued graduates will be motivated to embrace guerrilla frugality. Home-owners will learn the foundation of financial independence is a paid-for home. Those in their first jobs will embrace employer 401(k) plans, traditional IRAs and Roth IRAs. New parents will discover the need for life insurance and saving for children's education. Mid-life investors will learn how to cut costs in their portfolios while benefiting from the expertise of financial planners. Those near retirement will learn about advanced concepts like annuities and Asset Dedication. Jonathan Chevreau is the editor of MoneySense magazine, former personal finance columnist for the Financial Post and author of nine financial books, including *The Wealthy Boomer: Life After Mutual Funds*. He's active in social media and blogs at www.findependenceday.com. Once in a blue moon, a financial book is written that should be required reading for all. Such is the case with *Findependence Day*. -- Peter Grandich, *The Grandich Letter* A tour de force: a personal-finance book that is hard to put down. Larry MacDonald, *CanadianBusiness.com* Having some fun while learning what's good for you is a double win -- particularly learning what we all need to know to live happier lives." Charles Ellis, author of *Winning the Losers Game* This revised all-American edition features end-of-chapter summaries of financial concepts learned, a glossary and bibliography of books that will boost your financial literacy or that of your kids.

Conscious Spending. Conscious Life. Laurana Rayne 2013-02-02 *Conscious Spending, Conscious Life* is a manual for anyone who wants to move from unconscious consumption to conscious spending. Why would you? In a consumer world, it's incredibly easy to make poor choices that haunt us for years. Usually, we are deep in difficulty by the time anyone stops us. The best approach is conscious spending. Presenting a timeless philosophy in the context of modern life, *Conscious Spending, Conscious Life* will enrich the way you look at money and at life. Packed with practical information and thought-provoking ideas, it helps you think for yourself and make satisfying decisions. Based on Laurana Rayne's long-time experience as a college instructor, *Conscious Spending, Conscious Life* is sprinkled with personal anecdotes, relevant stories, clearly-written examples, and useful diagrams. This is not a textbook. It is intended to inspire everyone to broaden their perspectives, ask questions, think independently, and cultivate common sense. Parents and grandparents will recognize it as a worthwhile resource for family members starting out on their own. Those with more life experience will find valuable perspectives to augment their current thinking about money and their lives. It's the kind of book that can be reread many times, in whole or in part, because what the reader derives will vary depending on his or her stage in life.

Where Did My Money Go? Bob Hopkins Rg (Regular Guy) 2012-04 Have you ever wondered why you, like most Americans, are broke at the end of every month? Are you a slave to the "monthly payment"? Do you believe that things in your life would be better if you only got that well-deserved raise? Are you stuck in debt and believe there is no way out and no other way to obtain life's needs? Did you know one-third of your life's earnings will go to your house payment as another third goes to pay taxes? Would you like a better way to look at personal finances that will set you free from the shackles of the modern system of debt? Then this could be the very thing you need, as the answers to these questions will be easily explained within. The key to wealth is to be debt free, as commanded by God. *Where Did My Money Go?* can lead you in that direction by teaching you how to become debt free and recognize the predators knocking on your door in a culture dripping with materialism. Take a journey into a new life free from the banks, finance companies, mortgage companies, college loan companies, and all the other wolves at your door who simply want to take your hard-earned dollar.

The Best Possible Wedding Gift Mary Hennessey 2004 Our culture encourages couples to make elaborate preparations for their wedding day, and yet so little thought is given to a life of marriage. This book - The Best Possible Wedding Gift - focuses on what follows the wedding day - the life of marriage. The authors define "marriage" as a coming together of two emotionally committed people, dedicated to each other's personal and spiritual growth in ways that create a deepened intimacy, where both partners feel deeply loved and fully valued. The information presented in the book is of equal value to singles who may be contemplating a romantic partnership. This book is also ideal for those who have walked love's path and been disillusioned. In this comprehensive explanation of what marriage can be, the authors share what they have learned about awakened partnership and its capacity to transform relationship into authentic shared living that embraces the deepest levels of both intimacy and romance. This book will prepare you to embrace the mystery of love, entertain its changing nature with awareness and skill, bask in its joy, laughter and tears and share its sweet nectar with your lover. It points out the markers and signposts others have graciously left along love's often unpredictable, but well-trodden path The book presents marriage as a possible accelerated path to personal growth, fulfillment and happiness. No other relationship has quite the same power to transform lives. In The Best Possible Wedding Gift, Mary and Austin Hennessey explore the nature of committed relationship, and show how to evolve this shared togetherness into the partnership most couples dream of. With an accomplished background in relationship mentoring, and enhanced by their own authentic marriage, they explain the heart-centered subtleties that create and sustain the love, passion and compassion that are the fuel of an awakened marriage.
